#### **BARONA YOUTH PULSE**

Barona's Youth Pulse is a monthly survey that explores the views and expectations of Finnish youth on work life, career paths, studies, well-being, and the future.

The main themes of the June survey were job career, career choice and interest in different fields.

In the survey 633 Finnish, Swedish and Norwegian young people aged 18 to 29 were interviewed. The survey was conducted and data was collected by Norstat in June 2023.
